Guide to online registration

for KOKO-Kiste activities

Only a fixed-place confirmation means that you are registered!

Registration link

Open the registration here:

https://anmeldung.koko-kiste.workers.dev/

How it works:

1. Open the link or scan the QR code with your phone camera.
2. Choose the language and session. Complete one form per family.
3. Complete all required fields and confirm data protection. Use the same valid email address whenever possible.
4. Verify a new or unconfirmed email address using the link in the email.
5. Only the **fixed-place confirmation** means that you are registered.

Please also check your **spam/junk folder**.

Cancellation

Your fixed-place confirmation contains your personal cancellation link and a calendar button. A reminder you selected also contains the cancellation link.

Open the link and confirm. You will then receive a **cancellation confirmation** by email.

Online cancellation is available until 30 minutes before the session. After that, please contact us by email or phone.

Places & waitlist

The session page shows **how many places are still available**. Waitlist places are offered only after all fixed places have been allocated.

When a place becomes free, the next family receives an email. Accept within the stated deadline: no longer than 60 minutes and no later than registration closing time.

WHEN can I register?

Open parent-child sessions: Up to the current calendar week and the following two weeks are shown. Registration closes 30 minutes before the session.

Education café: The next two sessions can be booked. Later sessions show 'Registration from ...'.
